

Estate Action Plan 2019/2020

The purpose of the Estate Action Plan is to clearly identify how the Association can deliver an excellent and responsive local service in each of our estates.

Our aim is to:

- Identify and prioritise the problems within the estate.
- Identify solutions and decide the action required.
- Identify work requiring other agencies outwith Glen Oaks Housing Association.
- Ensure a copy of the Plan will be delivered to every household in the Association's estates.

LANDSCAPING CONTRACT

This service is provided by Caledonian Grounds Maintenance. If you have any queries relating to the landscaping contract please contact Lynne-Anne Ferguson, Projects Officer, on 0141 638 0999.

Our Responsibility: To monitor the contract and investigate any complaints efficiently and effectively.

Your Responsibility: In order to make sure the grass in the communal areas can be cut, the areas need to be kept clear of litter and dog fouling. If communal areas are full of litter and dog mess, the contractor is within their rights not to cut the grass, which in turn makes the area more untidy.

COMMUNAL LANDSCAPED AREA

Grass is cut fortnightly during the growing season (approximately 14 cuts per year). Weed spraying is undertaken 6 times a year and hedges/shrubbery are trimmed 3 times.

COMMUNAL DE-LITTER

Our landscaping contractor is responsible for de-littering the communal areas of our estates on a fortnightly basis.

Residents must report any incidents of fly-tipping to Clean Glasgow on 0300 343 7027.

ENVIRONMENTAL TASK FORCE

Glasgow City Council's project, the Environmental Task Force (ETF), is continuing to improve the appearance of the area by promptly rectifying issues such as fly-tipping.

The ETF has rapid response teams that tackle dog fouling, littering, fly-tipping and general environmental dereliction. If you notice any of these issues you can report them to the ETF hotline on 0300 343 7027, on Twitter @theenvtaskforce, on Facebook envtaskforce, or by downloading the myglasgow app to your smartphone. You can find out more about the ETF:

GARDEN CARE SCHEME

If you have a garden and would like some help to maintain it, the Association offers a Garden Care Scheme. This scheme allows for gardens to be cut once a fortnight during the growing season (April to October) - approximately 14 cuts. Hedges are cut 3 times during the growing season.

This service is payable over 6 months with a charge of £111.33. Please note this charge is not included in any Housing Benefit payments.

Routine inspections

GARDEN INSPECTIONS

Gardens are currently inspected on a regular basis during the growing season (April to October) to ensure grass and hedges are cut and that garden areas are weeded and de-littered. Outwith the growing season, gardens are still monitored to ensure that garden areas are kept tidy and litter-free. Tenants and residents are responsible for maintaining their gardens and keeping them litter-free.

Our Responsibility: We will inspect the gardens on a regular basis and take the necessary action to make sure that untidy gardens are cleared up.

Your Responsibility: Ensure that your garden area is kept litter-free, tidy and well-maintained.

ESTATE INSPECTIONS

Inspections of the Cartloch area are conducted on a regular basis, at the same time as the garden inspections. The Housing Services Assistant reports on all estate issues as contained in the Neighbourhoods and Environments policy, issuing instructions to the relevant departments and then monitoring the works to ensure completion.

Garden Inspections – Edging

We would like to thank our tenants who have been looking after their gardens and making our estates look good. However, we feel that we should highlight a common issue that has been occurring. It is the tenant's responsibility to maintain the perimeter of their garden, ensuring that grass is trimmed neatly and that all weeds are removed. Please see the examples.

Tenants/Residents responsibility

As a tenant/resident living in the Cartloch area, it is also your responsibility to report any estate issues to ensure that the area you are living in is maintained and improved.

The following numbers may be useful:

- the Association's Technical Department by calling 0141 638 0999 and selecting Option 1.
- **Vandalism** can be reported to the Police by calling 101.
- **Out of hours Noise Squad** can be contacted on 0141 287 6688.
- **Needles and Sharps** can be reported to Glasgow City Council's Land and Environmental Services on 0141 287 9700.

Getting Involved

Glen Oaks Housing Association is determined to create a cleaner, greener and more attractive local environment - but we need your help! By working together with residents, we believe we can improve the health and wellbeing of local people as well as raising awareness of environmental issues. If you would like to be involved in making environmental improvements in your area, please contact your Housing Services Assistant (Danny Allan) on 0141 620 2714 for more information.

Police And Communities Together (PACT)

The Association hosts quarterly evening Police and Communities Together meetings at our office in Arden. Police, Local Councillors, Community Safety Glasgow Officers and Glen Oaks staff are in attendance to answer any questions relating to tenancy matters. These meetings give residents the opportunity to voice their concerns and

opinions, and get advice and information on current initiatives. The Police are able to provide comparison reports and will raise any concerns in the area. A wide range of issues can be covered, e.g. anti-social behaviour, roads/lighting faults, illegal activities, and traffic concerns. Tenants and residents will be notified of future meetings by text and via our newsletters.

COMMUNITY PARTICIPATION

Our garden competition has always proved popular and we are running it again this year. In order for your garden to be considered by our judges, you must either put your garden forward to be judged, or nominate a neighbour's garden. We award prizes for the best garden in each of our three areas - Arden, Darnley and Pollok, and prizes for the best balconies in Arden. This year we have also introduced an 'Excellence Award' where the winners from the previous year will be judged. Judging will be taking place soon (we can't tell you the exact date of the judging ... that would be cheating!). Contact our office on 0141 638 0999 (or email us at go@glenoaks.org.uk) to enter. The deadline for entries is **30th July 2019** and judging will take place shortly after this date.

The Residents Event is an annual event and all tenants and residents are welcome to attend. Free transport (where needed), food and refreshments are provided for all who attend. This is an opportunity for tenants and residents to have a say and find out what the Association is doing for their areas. Details of this year's event will be advertised in our newsletter.
